Let's Open Doors Together

## INTRODUCTION

It took loads of hard work, sheer determination, planning and strategic development that we built Najaf Hardware from a two person's team to a whopping strong employee empire.

Najaf Hardware Trading L.L.C. (NAJAF) was founded in 1998. During 20years, we've always insisted on the mission of our company: "TRADING WITH QUALITY", and on focus to give all solution for wooden doors which includes Door handles (Brass, Zinc, Iron and Aluminium), Pull Handles, Door Closer, Locks (Lock Body, Cylinders, Pad Locks and Rim Locks), Hingis, Door Stoppers, TowerBolts, Drawer Railingand other Furniture Accessories

Nowadays, Najaf Hardware's deep understanding of Customers requirement and its continuous exploration of the end users culture has become the source of new markets. As basis, we have created the solution center of requirement of hardware in furniture fittings. Our continuous efforts to explore the design as per the regional requirement

Company has 3 Show-Rooms in UAE and Show-room Each in Kuwait Oman and Qatar

The Najaf's have TWD exclusive dealership of famous and well known brand from Turkey "Ozcanlar" and from India "LINK LOCKS" and "DEEWAN"

Najaf has own premier brand "BURAND" and also has other quality based various brands such as for High Quality "SAIF" brand for Medium Quality "BMAX" and Low Quality "KENTEN" Brand.

Najaf Hardware maintains rapid growth with tough competition and ensure to maintain and develop the growth in future.
